Service on all ABB Analyzers represented by Winn-Marion Barber

Service report for all labor and parts is customarily prepared at the job site.

Travel expenses at actual costs Plus 10% handling charge are computed later and added in at the time of invoicing.

Parts are charged at manufacturers published prices.

Travel time is charged at the appropriate hourly rate.

Expenses:

Per Diem: \$69.00 (GSA Rate, see WWW.GSA.GOV )

Mileage per mile: \$ .85

Mileage and expenses are computed from the Field Service Engineers last location.

Hotel and per Diem are charged when an overnight stay is necessary.

Travel and expenses are invoiced at actual cost and include hotel, rental car, air fare, airport parking and other expenses directly associated with the job.

Discounts:

A maintenance agreement usually provides for a discounted service rate, determined by the amount of service and scheduling specified in the contract.
