Mileage\$0.85/mi

Drive Time\$70.00/hr

General Expenses Cost

Mileage and expenses are calculated from Service Technician's last location.

There is a minimum charge of 4 hours.

Rates include Standard Truck, Trailer, and Tools

Service report for all labor and parts is customarily prepared at the job site.

Travel expenses at actual costs are added in at the time of invoicing.

Parts are charged at manufacturers published prices.

DISCOUNTS

A maintenance agreement usually provides for a discounted service rate, determined by the amount of service and scheduling specified in the contract.
